Ratings & Reviews 5 Highly recommended Usually I buy everything from Amazon.in as I am a prime member, but for books somehow I felt that Flipkart would be better/faster as they started off with books as their forte. So this PMP book I ordered from Flipkart (on April 9th Monday) even though Amazon had it and both were showing almost similar delivery dates around May 5th to 8th. I was expecting this delay as the book is relatively new, in demand, and it maybe imported from USA so might take time. But still quietly hoped that Flipkar... READ MORE Sreejit Ramakumar Certified Buyer, Bangalore Apr, 2018 5 Perfect one stop source for PMP certification First of all, about the book: The book is well written in a conversation style and anybody new to the project management and targeting to grab the PMP certification, can easily understand the content. The syllabus for PMP is well covered and explained in detail. About the vendor and delivery: Flipkart called and confirmed the order multiple times, but the book standard, packaging and quality was perfectly delivered and well on time. READ MORE Rajesh Yadav Certified Buyer, Gurgaon Dec, 2018 1 Useless product I ordered for PMP Exam Prep 9th Edition by Rita Mulcahy on 4th July (Wednesday). Totally unrelated different book - Golden Compass by Philip Pullman was delivered to me on 8th July, Sunday. I asked for the replacement. Again on 10th July (Tuesday), another completely different book - Enduring Freedom Enduring Voices by Michael Walling was delivered to me. Both the times the books are completely different. I am fed up of this. This is the worst service. Flipkart - You need to take some action... READ MORE Revathy RMC Certified Buyer, Bengaluru Jul, 2018 1 Not recommended at all This is review of the seller of this book and for Flipkart. Very bad service by the seller called Gypsum through Flipkart. Wrong product was delivered on two occasions and I have added pictures of both the wrong books delivered. This is not expected by Flipkart with such value in the market. Flipkart wake up rectify and streamline your delivery processes. Make sure customer get's what is ordered and not irrelevant orders like in this case. Don't ever go with Gypsum seller. READ MORE Krishna Kumar Certified Buyer, Bangalore Jul, 2018 1 Fraud Vendor I have a very similar story, where I have received wrong book on the first time, and waiting for them to send me another wrong, as they sent it to another reviewer. I think the vendor is fraud, and right actions need to be taken by flipkart to either align vendor, under flipkart term and conditions OR revoke registration of such vendors. Flipkart three similar story from three different customers, is good enough to take stringent actions, against such fraud vendors. READ MORE Chandrasekar Thiagarajan Certified Buyer 7 months ago 4 Worth the money Brought this book in Oct 2020 for giving my pmp exam in old pattern, but unfortunately I could not give it den for whatever might be the reasons. This book would have been the book for old pattern. But for new pattern this book alone will not be sufficient. Agile guide is definitely required for new pattern of pmp exam, which is not available in this book. However I cleared my exam in new pattern in March 2021. So my advice to the pmp aspirants is go for latest Rita book only if u wanna exper... READ MORE Pravallika Chitturi Certified Buyer 1 months ago 5 Fabulous! VISHAL Puloriya Certified Buyer, Khargone Sep, 2020 5 Highly recommended I am very happy to get my ordered book on time and it was same book what I ordered so on time and it was same book what I ordered as I also read few reviews where some of the customers were complaining for different product they got so I was also afraid. So thanks to Flipkart for delivering a real product on time and thanks to seller also for providing good product. READ MORE Ram Babu Certified Buyer, Bangalore Jan, 2019
